

## **Clear Falls Aquatics Booster Club Senior Scholarship Program**

Goal: The Clear Falls Aquatics scholarship program is an effort to support water polo, swim and/or divers who have been exemplary members of the Clear Falls Aquatics team, in their efforts to gain higher education; and also, to encourage water polo players, swimmers and/or divers to participate in past high school.

Awarding of scholarships: Scholarships may be awarded annually based on the amount of scholarship funds available and an equal and fair division among the aquatic athletes of Clear Falls Aquatics. Each family that has joined the booster club will have 1 entry for white level, 2 entries for green level, 3 entries for black level and 4 entries for Knight booster club level per school year joined. The number of entries is built upon each year when the family joins Clear Falls Aquatics Booster club, up to a maximum of 16 entries. The Clear Falls Aquatics Booster Club Senior Scholarship Committee can offer more entries during the annual spring fundraiser, 1 entry per \$100 raised for the Clear Falls Aquatics Booster Club. Graduating seniors must complete the appropriate application to be entered into the drawing. Each recipient will be chosen by a random drawing of entries from the eligible Clear Falls Aquatics athletes.

Athlete qualifications: (1.) Must be an active Clear Falls Aquatics member in the current year (2.) Must be graduating from Clear Falls high school in the year eligible for the scholarship (3.) Athletes must submit a completed application to the Clear Falls Aquatics booster club senior scholarship chair by the Clear Falls Aquatics Booster Club meeting in March.
